The screenshot shows a web browser window with the address bar containing the URL `https://teknobyen.kdrs.no:9443/filesender/?s=logout`. The page features the KDRS logo (Kommunearkiv og Institusjonenes Digitale ResursSenter) and the FILESENDER logo with a chili pepper icon. There are buttons for 'Hjelp' and 'Om', and a version indicator '1.7-beta1 HTML5' with a green checkmark. A green notification bar at the top of the content area says 'Avlogging utført'. The main heading is 'Velkommen til KDRS FileSender', followed by the text: 'KDRS FileSender tilbyr en sikker og enkel måte for å sende store filer til alle dine samarbeidspartnere! Logg på for å overføre filer eller for å invitere andre til å sende deg en fil.' Below this is a 'Logg på' button.
